

Well, another year is almost past and we hope 2004 was as good for you as it was for us. God has truly blessed us.

Derek (9) is in 3<sup>rd</sup> grade. He played soccer with the Campbelltown-Palmyra Soccer Club. Their team placed 2<sup>nd</sup> and 1<sup>st</sup> in 2 tournaments and won their league by beating the 1<sup>st</sup> place team in the last league game. He is also a Bear in Cub Scouts in Pack 414. Derek loves to read history books and memorized all the state capitals by himself.

Tabitha (8) is in 2<sup>nd</sup> grade. She is taking jazz dance at McCann's School of Dance. She played soccer in the Palmyra Rec league, which mom and dad helped to coach. She is a Brownie. She got a guitar and started to take lessons. She is always singing and dancing around the house .

Priscilla (4) is home with mom. She is taking creative movement class at McCann's School of Dance and goes to story time at the library. She enjoys her weekly play dates with friends, Lauren and Tori. She also loves to sing and dance around the house.

Connie enjoys being involved with the kids in their activities and finding time to spend with her friends. She enjoys being Derek's cub scout leader, playing softball in the church softball league, playing soccer in an over 30 women's soccer spring and fall league with some of her girl friends, being involved in her Moms In Touch Prayer group, Women's Bible Study Group, Community Worship and Bible Study group, shopping trips with Sherry, Farmer Market trips with Darlene, and her baking/cooking days with either Heidi, Heather, Stephanie or Sue. She has been busy baking, cooking, freezing and canning this year.

Alan works at Computer Aid and has been at Tyco since July 2003. He coached and played on the church softball team. He leads a men's Bible Study and organized the trip down to Promise Keepers.

He also helps out with Derek's cub scouts. Alan's website business ([www.afake.com](http://www.afake.com)) continues to grow.

In February, Alan's grandfather, George Blouch, passed away. He was 2 days short of his 93rd birthday. Connie also lost her cousin, Mike Smith to cancer in September.

We had passes to Hersheypark and the community pool during the summer. Derek, Tabitha and Alan have become quite the roller coaster riders. Alan and Derek went down to Promise Keepers, in Baltimore, for the 4<sup>th</sup> straight year. Derek and Alan are involved in a Disciple Bible study, which will read through 80% of the Bible. Connie and Tabitha went to the Women of Faith, in Philadelphia, together for the 2<sup>nd</sup> straight year. We enjoyed vacationing with some of our friends this summer. We went on a cabin trip with the Shilling family and saw a big black bear outside the cabin. We went camping in Gettysburg with the Hollowell family and visited the battlefield and Boyd's Bear Outlet. One of major accomplishments was having some of our pictures published on [www.Phoons.com](http://www.Phoons.com), search on Derek's name to see all of them.

We hope that you and your family have a blessed and Merry Christmas!
